

## Camper Discipline Policy

In any group living situation it is necessary to establish rules and guidelines. At Camp Conquest, these guidelines have been established with the following objectives in mind:

- To provide an environment that honors God and encourages each person to have a closer relationship with Jesus Christ.
- To provide an environment that is safe, fun and challenging for all.
- To provide an environment that respects the needs of each individual

Camp Conquest desires to treat each camper with love and respect. We will work diligently with the camper and the parent to avoid discipline problems. However, sometimes problems do occur, and there are some offenses that warrant parental involvement and/ or dismissal from camp. These offenses may include:

- The use or possession of cigarettes, alcohol, drugs or pornographic materials.
- Fighting or continual verbal assaults directed at campers or staff.
- Disregard for camp policies, other campers and camp staff. Examples: profanity, direct disobedience and stealing.
- Vandalism. Financial restitution will be required.
- Possession and misuse of camera phones.
- Behavior which negatively affects the experience of other campers.

In the event that your child is involved in any of these activities, the director will contact you and you will be required to come immediately to camp and pick up your child. Your cooperation will be most appreciated. It is our goal to avoid sending children home this summer. Please help us by supporting these policies and reviewing them with your children prior to their arrival at camp.

A camper sent home from camp does not receive a refund of camp tuition, and is not permitted to return this summer. However, that camper is welcome back to camp for future programs.

Questions concerning this policy may be directed to Camp Conquest office at 717.336.2541.

## General Camper Responsibilities and Regulations

## Dress Code Policy

Camp Conquest believes the scriptures teach that a believer is to dress in such a way that attention is not drawn to the body (1 Peter 3:1-4). The Word of God makes it clear that modesty must be the believer's rule of thumb. Our purpose is to keep the total camping program in line with what we believe the Scriptures teach. Therefore, the following dress code will be enforced:

- Tight fitting clothes will not be worn at any time.
- Swimming attire: Girls must wear one piece swimsuits. Boys are not permitted to wear bikini trunks.
- Shorts must be at least fist length.
- Suggestive clothing (i.e. see thru styles, low cut blouses, halter or spaghetti straps, or fashions with exposed mid-ribs are not acceptable).
- Clothing with objectionable slogans or pictures are not allowed.
- All clothing is to be modest in style and not draw attention to the body.
- Flip-Flops may not be worn at camp except in the shower. Shoes supporting the heel and toes must be worn at all times including to and from the pool.
