January 2007

What are the plans for Camp Conquest in 2007? What ministry opportunities will we pursue this year? What are the goals for this ministry of evangelism and discipleship in the camp setting?

I am glad you asked because Camp Conquest is looking at an exciting year of ministry, outreach and growth. And this is all made possible by the prayers and support of our friends and ministry partners like you. Thank You.

New Program Ministries in 2007: One of our goals this year is to bring more families onto the site for 2007. In addition to our Father/ Son and Father/ Daughter programs we are launching our first **Family Camp** experience to be held July 19th-21st. Camp Conquest will host a **RISK Tournament** (based on the strategy board game) over the Memorial Day weekend. The camp is also bringing back the off-camp adventure of a **Backpacking Trip** to be held in June.

New Service Ministries: The camp will begin to offer Food Service for our Guests on weekends throughout the year. We are looking forward to increased enrollment because of this service as well as increased ministry opportunities that will become available.

New Part-Time Staff Positions: Starting this month the camp has hired both **Doug Tressler** and **Shawn Miller** to join our team one day a week as maintenance staff. Both men have a love for the camp and have served in volunteer roles for a number of years.

Facility Goals: We hope to complete the **Sprecher Lodge** in time for summer camp. A Building Dedication service is being held on June 9th at 10 am. If all goes well, we would like to begin construction on the **girl's dorm addition** in August of 2007.

Financial Goals: In 2007 we hope to recapture our debt free status. Pray with me that we can completely pay off the new property and the Sprecher Lodge before Summer Camp.

Thank you for your part in this ministry. We appreciate your support and prayers.

Serving with you,

Michael R. Gehlert
