November 2007

Dear Friends,

*"That I may publish with the voice of thanksgiving, and tell of all thy wondrous works."
– Psalm 26:7*

What are you publishing this November? What are His Wondrous Works that you can share with others around the Thanksgiving dinner table?

Did you know ...

- Carlos along with twelve other children gave their heart to Jesus this summer. And that those decisions have made an impact in the daily lives of others at home and at school.
- About 45 different groups ran activities at camp this year.
- Camp Conquest sponsored 17 separate programs this year.
- Sprecher Lodge, our dormitory expansion including bathrooms, meeting space and kitchen, was completed for about \$50 a square foot - furnished.
- The adjacent property including about 2 acres and a beautiful ranch home was purchased is now in use as the Director's Residence.
- In addition to operational gifts, the camp received over \$400,000 in special gifts toward two capital projects.
- Summer campers made an impact in the community by participating in two days of community service in seven different locations.

Over 200 volunteers served this summer in this exciting ministry of evangelism and discipleship in the camp setting.

Thank you for your part in making each of these "wondrous works" possible. Your gifts to the ministry of Camp Conquest reach well beyond the 90 acres "up on the hill" in northern Lancaster County. Your gifts impact lives all over the east coast as campers and staff take the life-changing message of Jesus Christ with them back into their separate communities. Thank you for being used of God to further His work at camp.

Serving with you,

Michael R. Gehlert
Executive Director

*"for the equipping of the saints for the work of service, to the building up of the body of Christ."
