Dear Friends,

“God intends the Christian life to be a life of joy – not drudgery. The idea that holiness is associated with a dour disposition is a caricature of the worst sort. In fact, just the opposite is true. Only those who walk in holiness experience true joy.” *The Pursuit of Holiness*, Bridges, 1978

Can your life be described as a life of joy? Are you walking in holiness?

At camp, we provide opportunities for campers, guests, staff, volunteers and donors to pause and reflect. Camp is a place set apart from the normal distractions of daily life. Camp provides the opportunity to re-capture our Joy.

We receive testimonies after every event at camp of individuals who are either awakened to the Joy of Christ through salvation or who have re-captured their Joy by redirecting their energies to pursue Christ rather than self.

Thank you for your gift this month. It has helped to provide a safe place for those encounters of Joy to take occur. Your support of this ministry of evangelism and discipleship in the camp setting has an eternal impact in many lives.

Thank you for your partnership in ministry. Thank you for helping others discover the Joy of Salvation through Jesus Christ. Thank you for helping many re-capture their joy in a renewed commitment to their Savior.

Serving with you,

Michael R. Gehlert
Executive Director
