November 2009

Dear Friends,

This week has been wet and cold. The leaves are quickly falling off the trees, and we are winterizing the facility. But summer camp came bursting back into the office when we received a packet of thank you cards and pictures from our Angel Tree Campers. Let me share a few with you now.

Thank you so much for allowing us to use your facility for Angel Tree camp. We love being at Camp Conquest. Because of your faithfulness many children have heard and began a relationship with Jesus Christ. They have experienced His love and you have been a part. Thank you, Lena (Angel Tree camp director)

Thank you for praying and providing the funds for making the camp possible for these children. It's such a great experience for them! God Bless! Christen (counselor)

The cards were handmade and signed by all the kids. Most wrote a simple "Thank You" along with drawings and card art.

The impact of a week of Angel Tree camp is amazing. These children come from tough inner city areas where Jesus Christ is not known. Each one has a parent in prison. They are the mission field coming to us. Your financial gifts make it possible for us to share the love of God with these children in the midst of His creation.

Thank you for investing in the lives of children at camp. Thank you for making an impact for eternity. Thank you for your gift to Camp Conquest this month.

Serving with you,

Michael R. Gehlert
Executive Director
