Dear Friends,

Sometime as we prod along through the winter months we can lose focus. The cold and colorless landscape, the short days and the dreariness of the moment can dull the senses.

Then all of a sudden a burst of light and encouragement comes across your desk. Check out this email comment we received after a cold and wet weekend up on the hill at Camp Conquest.

"Hey Ken! Our weekend was fantastic! I don't think it could have been any better. We had one guy make a first time decision for Christ and lots of other really important growth in all of the students." - a local youth pastor

How exciting to see that one young man will spend eternity in heaven because God touched his heart at Camp Conquest. Your support for Camp Conquest this month directly impacted this opportunity. Thank you for your involvement in this ministry of evangelism and discipleship.

Summer Camp and Weekend Retreats are both effective ways to reach young people for Christ. Thank you for partnering with us as we provide an environment where God can get the attention of children and teens in a unique and powerful way.

Serving with you,

Michael R. Gehlert
Executive Director
