April 2010

Dear Friends,

A new guest group enjoyed the first day of Spring at Camp Conquest. They just sent us a great letter that I would like to share with you as a Thank You for your financial support of the ministry this month.

We all had a wonderful time, and both of our groups enjoyed the camp more than they anticipated.

The men's group took another significant step in growing together. As is the case at most churches, our men haven't been (historically) hard nuts to crack. But the Lord is doing some very precious things in authentic relationships and building mature and honest interaction together. They had a great time, and simply wished they could have stayed longer. (Next year :-). By the way, the men in the group appreciated your introduction to the camp, and hospitality you showed to them - I did too!

The students had a very 'intense' weekend together. We've been working through the Truth Project, which is a focus on the family study. It's incredibly intense, and at times a bit overwhelming. So it was a great blend of craziness together mixed with the intensity of that study.

What is neat about this group is that they intentionally mixed two different segments of their church. A Men's Retreat was hosted at the same time as a Youth Retreat. Next year they hope to add a few small groups to the mix.

This is an example of how your support is helping to grow the body of Christ through the ministry of Christian Camping. Your support of Camp Conquest helps to provide a place where churches are able to encourage and disciple men and youth to be more like Christ.

Serving with you,

Michael R. Gehlert  
Executive Director
